

Thirsty Dog[®]

Brewing Company

We made this beer specifically for bourbon barrels. The result is our most acclaimed bourbon barrel beer. Bourbon barrel aging and specialty malts create flavors of vanilla and caramel that blend in perfect balance.

IBU's = 22 12% alc./vol.

We took our award winning Siberian Night Russian Imperial Stout and aged it for 11 months in fresh bourbon barrels. The result blew us away. The dark chocolate malt yields a milk chocolate flavor that blends perfectly with the vanilla flavor from the barrel. The bourbon aroma adds the finishing touch.

IBU's = 58 10.9% alc./vol.
