

THE BEER

Beer for Humans features a satisfyingly crisp, crackery malt bill high-fived by a bright & citrusy blend of Centennial, Mosaic, El Dorado, Eureka and Sultana hops. The resulting brew is so deliciously drinkable, we had to invent a new style: Easy Hop Ale. Beer for Humans is a year round release available in 6 and 15 packs.

THE HUMANS

Currently, Rhinegeist donates to approximately 300 organizations per year as part of our Charitable Suds program. As we prepare to celebrate ten years of Brewing Community, we are creating a new platform to serve as our vehicle for giving; Charitable Suds is evolving into Beer For Humans. Through charity-focused Taproom Pint Nights, in-kind donations, volunteer hours, emergency relief, DEI initiatives, event partnerships, and local membership engagement, we work to build partnerships with purpose.
