

## SUMMER CERVEZA

### SALT AND LIME LAGER

At Breckenridge Brewery, we've found a way to put the summer in Cerveza. Inspired by the vibrant flavors of Mexico and the laid-back Colorado lifestyle, Summer Cerveza is light, crisp, and effortlessly refreshing—the perfect brew for taking it easy, no matter where you are.

With a breezy 5% ABV, a touch of sea salt, and a splash of lime, it strikes the ideal balance between cool mountain air and warm sunshine. Whether you're swapping trail stories by the fire or lounging in a backyard hammock, Summer Cerveza keeps the good times flowing. After all, it's always summer somewhere.
