BOURBON COUNTY BRAND STOUT DOUBLE BARREL

Shared dedication to their respective crafts is what unites Heaven Hill and Goose Island in the creation of 2025 Bourbon County Brand Double Barrel Stout. As the creators of the world's first bourbon barrel-aged stout, the brewers at Goose Island have spent over thirty years redefining what beer can be through the evolution of Bourbon County Brand Stout. Over time, the series has grown into a diverse family of beers—each expressing a distinct character and perspective.

2025 Bourbon County Brand Double Barrel Stout is a masterclass in that approach. In collaboration with Heaven Hill Distillery, Goose Island aged this release in not one, but two sets of freshly emptied Heaven Hill Bottled-in-Bond Bourbon barrels. By centering the nuanced complexity of the whiskey, the resulting beer is a true celebration of bourbon, collaboration, and the most essential element of every Bourbon County release: the barrel itself.
