

312 BEER

312 celebrates Chicago exactly as it is—real, proud, and unapologetic. No polish. No pretense. Just the true spirit of the city in every sip. It's the taste of neighborhood block parties, skyline sunsets, packed bleachers, and summer street fests. Brewed for lifelong Chicagoans and curious visitors alike, 312 is grit and charm poured into one. The beer that feels like home—because it is.

312. It's a Chicago thing.
