HIGH VOLTAGE

ARE YOU READY TO AMP IT UP?

Shock Top High Voltage: This imperial wheat ale isn't just orange - it's shockingly electric, with a zesty 9.6% ABV that'll supercharge your day. One sip, and you'll feel like your taste buds just did the electric slide. Two sips? Congrats, you're officially buzzing-because this beer doesn't just light up your palate, it lights up your party meter!

Warning: May cause spontaneous dance moves, uncontrollable laughter, and the sudden urge to call your ex just to say, "I'm electric, and you're **“watt”** I've been missing all along!"
