

Pumpkin Ale

Ale Brewed With
Pumpkin,
Honey & Spices

NEW LOOK
NOW IN CANS

THIRSTY DOG
BREWING COMPANY

Brewed with summer's harvest of 5 varieties of pumpkin, locally grown for the brewery... by the brewery. All are hand selected and caramelized just prior to brewing. You will not find this beer before seeing the first pumpkin on the roadside market. Only the freshest ingredients, combined with our pumpkins, give you a rich creamy golden orange ale that tastes great all fall.

Available August 15 - November 15

IBU's = 13.5
