COSMIC BERRY WHEAT

NEW LOOK!

SAME SHOCKING FLAVOR

This beer is out of this world! – see what we did there? This cloudy wheat beer has waves of juicy berry flavor that will blow your mind. Why wait for a UFO to pick you up, when you can taste the cosmos right in your hand? Grab a cold one, kick back in your rocket chair and let the cosmic vibes take you on a wild ride that's even more entertaining than binge-watching your favorite sci-fi series.

And now Shock Top Cosmic Berry Wheat has a shockingly new look! **Bolder, Modern, and Shocking.** We've kept the core of the brand but updated the look and turned up the personality a notch (or three). Every Shock Top beer package is a way out world of its own, starting with Belgian White. So, when life offers you the mundane, the safe, the usual, **shock the routine.**
