

GOOD BOY VODKA®

JOHN DALY GOLF PACK

Crafted for the course and inspired by the game, The Golf Pack brings together a lineup of refreshing, premium cocktails made with real fruit juice and ultra-smooth vodka—designed to taste as good as your best swing. No golf pack would be complete without a nod to the legend himself—The official John Daly Cocktail proudly joins the lineup.

Through our mission, Every Pour Helps a Pup®, we proudly support pet rescues, military K9s, and veteran programs nationwide.

So, crack one open and remember, it's always a good day for a Good Boy.
