

Story

HOP-POW!

Unapologetically bold, fearlessly hopped, incredibly honest—Truth Bomb emerges from the shadows to bring righteous flavor back to the streets! A super group of hops join forces for a profile bounding with tropical fruit punch aromas and bright notes of zesty orange and juicy peach. Not all heroes wear capes...some wear a can. Truth Bomb is a year-round release, available in cans (including 19.2oz single-serve) and on draft.
