Yuengling®

HAND-CRAFTED DRAFT BLEND.

Yuengling® Black & Tan models a traditional English Half & Half. Introduced in 1986, Yuengling produced one of the first hand-crafted draft blends to lead this style of American brewing. Black & Tan combines 60% of our popular Dark Brewed Porter and 40% of our Premium Beer to create a brew that is rich and dark in color with hints of caramel and coffee from the dark roasted malts.
