

GOOSE ISLAND BOURBON *The Original* COUNTY BRAND

BOURBON COUNTY ORIGINAL STOUT

After crafting the very first bourbon barrel-aged imperial stout, Goose Island has learned that to have the best beer, you start with the best possible ingredients. Barrels are such important ingredients, and they continue to use only the best their friends on the bourbon trail have to offer. 2024 Bourbon County Brand Original Stout is aged in a mix of freshly emptied bourbon barrels from **Buffalo Trace, Heaven Hill, Four Roses and Wild Turkey** distilleries. Barrel-aged for an average of 16 months, Bourbon County Original Stout boasts deeply developed flavors of fudge, vanilla and caramelized sugar with a rich, decadent mouthfeel.

BOURBON COUNTY BRAND VANILLA RYE STOUT

It's been six years since Goose Island released one of the most celebrated Bourbon County Brand Stout variants. Today, Goose Island is excited to warmly welcome the return of this iconic member of the Bourbon County Brand Stout family. Vanilla, as an ingredient, has made an appearance in Bourbon County lineups over the years, but the 2024 Bourbon County Brand Vanilla Rye Stout is a new take on their 2014 Vanilla Rye release. This year's release showcases rye and the complexity it delivers by starting with a rye imperial stout and aging it in freshly emptied rye whiskey barrels. After aging in barrels for a full year, the stout is then finished with incredibly aromatic Madagascar vanilla beans. Bourbon County Vanilla Rye Stout has the beloved attributes of the vanilla variants before it—with a new characteristically rich spice character.

BOURBON COUNTY BRAND MACAROOON STOUT

There is nothing quite like the comforting aroma that fills the home when baking with family. Inspired by late nights in the kitchen with Mom, Goose Island employee Paul Spiller sought to capture that sweet moment in this year's newest member of the Bourbon County Brand Stout family.

Goose Island's 2024 Bourbon County Brand Macaroon Stout is an imperial stout aged for a full year in bourbon barrels before adding rich cocoa nibs, sweet candied ginger and toasted coconut. This decadent stout is an homage to the flavors of homemade coconut macaroons with a twist of nostalgia.

BOURBON COUNTY BRAND PROPRIETOR'S BARLEYWINE

This year marks the debut of a barleywine under the coveted Proprietor's name. Having fallen in love with the popular Mexican spoon candy, brewer Colby Magratten crafted a recipe with Goose Island's bourbon barrel-aged barleywine that blends tamarind, lime, whole Guajillo chiles and piloncillo.

Chicago and the people who call it home are forever a source of inspiration in all that Goose Island does. 2024 Bourbon County Brand Proprietor's Barleywine is a direct reflection of that inspiration and unlike anything they've ever done before. With a subtle dried fruit sweetness, refreshing lime zest and a delightfully warming finish, this barleywine is decidedly Chicago.

BOURBON COUNTY BRAND CASK FINISH STOUT

When crafting this year's 2024 Bourbon County Brand Cask Finish Stout, Goose Island is thrilled to work with our friends at Bardstown Bourbon Company. Drawing inspiration from Bardstown's modern and creative spirit in finished whiskeys, this imperial stout takes the same journey as their Origin Series Rye. Goose Island began by aging their imperial stout in Bardstown's freshly emptied straight rye whiskey barrels. From there, they transferred the beer to "hybrid" oak and cherry wood barrels that finished their rye whiskey. These incredibly expressive barrels deliver a remarkable finish unlike anything seen before in the Bourbon County family. A beautifully balanced beer, Bourbon County Bardstown Cask Finish Stout is deeply expressive with vibrant cherry, toasted oak and a lingering herbal finish.
